CTP60SG 60" Refrigerated Countertop Salad Bar, Glass Topping Rail

FEATURES

- Holds temperature between 33°F to 41°F
- AISI 304 stainless steel construction
- Digital temperature control and display
- Removable flat glass cover
- Static cooling system with continuous evaporator
- CFC free refrigerant and foam
- Fits 6 x 1/3 size stainless steel pans (not included)

Keep salad, condiments, toppings and other food items cold on this four pan countertop salad bar. This commercial refrigerated salad bar is perfect for pizza shops, restaurants, and foodservice establishments that serve a variety of cold salads. A self contained unit, our salad bar refrigerator maximizes energy consumption and consistently maintains your toppings within the 33°F to 41°F temperature range. A digital temperature controller makes it super easy for your staff to adjust the temperature, while an automatic defrost feature increases the efficiency of the unit.
