18" DIRECT HEAT SEALER

STANDARD FEATURES

Skyfood Foot-Operated Direct Heat Sealers are available in two different sizes, 12 and 18" long seal bar to better suit your needs. Robust metal construction, these foot-operated direct heat sealers are essential tools in any food service and other commercial operations. Seal a variety of thermoplastic materials. Both upper and lower seal bars heat up for better heat penetration to seal thicker materials with precise serrated lines. Adjustable temperature controller accurately maintains temperature on both seal bars for consistent sealing. For use with plastic kraft papers, aluminum foil bags, mylar bags, poly cello bags, etc.
